

Renren Announces Unaudited Second Quarter 2013 Financial Results

August 14, 2013 7:01 PM ET

BEIJING, Aug. 14, 2013 /PRNewswire/ -- Renren Inc. (NYSE: RENN) ("Renren" or the "Company"), a leading real-name social networking internet platform in China, today announced its unaudited financial results for the second quarter ended June 30, 2013.

Second Quarter 2013 Highlights

- **Total net revenues** were US\$49.6 million, a 10.7% increase from the corresponding period in 2012. *Renren net revenues* were US\$43.4 million, a 5.5% increase from the corresponding period in 2012. *Nuomi net revenues* were US\$6.2 million, a 69.4% increase from the corresponding period in 2012.
- **Gross profit** was US\$31.7 million, a 13.7% increase from the corresponding period in 2012.
- **Operating loss** was US\$34.7 million, compared to an operating loss of US\$22.2 million in the corresponding period in 2012.
- **Net loss attributable to the Company** was US\$9.3 million, compared to a net loss of US\$24.9 million in the corresponding period in 2012.
- **Adjusted net loss (non-GAAP)(1)** was US\$3.8 million, compared to an adjusted net loss of US\$21.8 million in the corresponding period in 2012.

(1) Adjusted net income (loss) is a non-GAAP measure, which is defined as income (loss) from continuing operations excluding share-based compensation expenses, amortization of intangible assets and impairment of intangible assets.

"Revenue growth slowed down primarily due to delays in our game pipeline. Although we face short-term monetization challenges, we are on track in executing our strategic priorities for the year aimed at securing our position in the highly competitive mobile internet sector in China. In particular, our recent frequent upgrades in Renren mobile app continue to strengthen user engagement. This is a pivotal time to make strong advances in the opportunities we are seeing, as we remain committed to the long-term investments placed on our mobile initiatives," commented Joseph Chen, Chairman and Chief Executive Officer.

Second Quarter 2013 Results

Total net revenues for the second quarter of 2013 were US\$49.6 million, representing a 10.7% increase from the corresponding period in 2012.

Renren net revenues were US\$43.4 million, representing a 5.5% increase from the corresponding period of 2012. Within Renren net revenues, *online game revenues* were US\$22.8 million for the second quarter of 2013, a 1.4% increase from the corresponding period of 2012. *Other IVAS revenues* were US\$5.2 million for the second quarter of 2013, a 43.5% increase from the corresponding period of 2012. The increase was largely due to increased revenue from Woxiu, our virtual talent show service on 56.com. *Online advertising revenues* were US\$15.4 million for the second quarter of 2013, representing an increase of 2.4% from the corresponding period of 2012. The number of activated users on Renren.com continued to increase from approximately 162 million as of June 30, 2012 to approximately 194 million as of June 30, 2013. Monthly unique log-in users increased from approximately 45 million in June 2012 to approximately 54 million in June 2013.

Nuomi net revenues were US\$6.2 million, representing a 69.4% increase from the corresponding period of 2012. Nuomi had 3.8 million active paying users for the second quarter of 2013 compared to 2.6 million for the corresponding period of 2012, a 44.2% increase.

Cost of revenues was US\$17.9 million, a 5.8% increase from the corresponding period of 2012. The increase in cost of revenues for the second quarter was largely due to increased revenue sharing costs for Woxiu.

Operating expenses were US\$66.4 million, a 32.6% increase from the corresponding period of 2012.

Selling and marketing expenses were US\$30.2 million, a 40.0% increase from the corresponding period of 2012. The increase was primarily due to the increased advertising and promotions for our launched games plus headcount and personnel related expense increases for Nuomi.

Research and development expenses were US\$22.2 million, a 24.6% increase from the corresponding period in 2012. The increase was primarily due to headcount and personnel related expense increases for games development and mobile-related investments.

General and administrative expenses were US\$14.0 million, a 31.0% increase from the corresponding period in 2012. The increase was primarily due to the increase in share-based compensation charges.

Share-based compensation expense, which were mostly included in the operating expenses, were US\$5.2 million, compared to US\$2.5 million in the corresponding period in 2012.

Operating loss was US\$34.7 million, compared to an operating loss of US\$22.2 million in the corresponding period in 2012.

Net loss attributable to Renren Inc. was US\$9.3 million, compared to a net loss of US\$24.9 million in the corresponding period in 2012.

Adjusted net loss (non-GAAP) was US\$3.8 million, compared to an adjusted net loss of US\$21.8 million in the corresponding period in 2012. Adjusted net income (loss) is defined as income (loss) from continuing operations excluding share-based compensation expenses, amortization of intangible assets and impairment of intangible assets.

Share Repurchase Program

The company has now completed the US\$150 million repurchase program that was announced on September 29, 2011. On June 28, 2013, the board of directors authorized a new share repurchase program to repurchase up to US\$100 million of its ADSs within one year from June 28, 2013. During the second quarter of 2013, Renren repurchased approximately 8.9 million ADSs.

Business Outlook

The Company expects to generate revenues in an amount ranging from US\$47 million to US\$49 million in the third quarter of 2013, representing 3% to 7% year-over-year decline. This forecast reflects Renren's current and preliminary view, which is subject to change.

Safe Harbor Statement

This announcement contains forward-looking statements. These statements are made under the "safe harbor" provisions of the U.S. Private Securities Litigation Reform Act of 1995. These forward-looking statements can be identified by terminology such as "will," "expects," "anticipates," "future," "intends," "plans," "believes," "estimates" and similar statements. Among other things, the business outlook for the third quarter of 2013 and quotations from management in this announcement, as well as Renren's strategic and operational plans, contain forward-looking statements. Renren may also make written or oral forward-looking statements in its filings with the U.S. Securities and Exchange Commission ("SEC"), in its annual report to shareholders, in press releases and other written materials and in oral statements made by its officers, directors or employees to third parties. Statements that are not historical facts, including statements about Renren's beliefs and expectations, are forward-looking statements. Forward-looking statements involve inherent risks and uncertainties. A number of factors could cause actual results to differ materially from those contained in any forward-looking statement, including but not limited to the following: our goals and strategies; our future business development, financial condition and results of operations; the expected growth of the social networking site market in China; our expectations regarding demand for and market acceptance of our services; our expectations regarding the retention and strengthening of our relationships with key advertisers and customers; our plans to enhance user experience, infrastructure and service offerings; competition in our industry in China; and relevant government policies and regulations relating to our industry. Further information regarding these and other risks is included in our annual report on Form 20-F and other documents filed with the SEC. All information provided in this press release and in the attachments is as of the date of this press release, and Renren does not undertake any obligation to update any forward-looking statement, except as required under applicable law.

About Non-GAAP Financial Measures

To supplement Renren's consolidated financial results presented in accordance with United States Generally Accepted Accounting Principles ("GAAP"), Renren uses "adjusted net income (loss)" which is defined as "a non-GAAP financial measure" by the SEC, in evaluating its business. We define adjusted net income (loss) as income (loss) from continuing operations excluding share-based compensation expenses, amortization of intangible assets and impairment of intangible assets. We present adjusted net income (loss) because it is used by our management to evaluate our operating performance. We also believe that this non-GAAP financial measure provide useful information to investors and others in understanding and evaluating our consolidated results of operations in the same manner as our management and in comparing financial results across accounting periods and to those of our peer companies.

The presentation of this non-GAAP financial measure is not intended to be considered in isolation from, or as a substitute for, the financial information prepared and presented in accordance with GAAP. For more information on these non-GAAP financial measures, please see the table captioned "Reconciliation of non-GAAP results of operations measures to the comparable GAAP financial measures" at the end of this release.
